

Community Partnerships Overview

Thank you for your interest in becoming a Community Partner of California Coaches! It is our mission and goal to be the primary resource for professional and lifestyle coaches in California. We're excited to serve our coach community, and hope you'll join us in that vision.

California Coaches is the only independent Chamber of Commerce for professional coaches in California. It began in Santa Cruz and incorporated as an official 501(c)6 in 2019.

HOW PARTNERSHIP WORKS
